Age Friendly Louisville (AFL) Workgroup – Mobility & Accessibility (M&A)
February 12, 2020

The AFC Workgroup – Mobility & Accessibility met on Wednesday, February 12, 2020, at The Edison Center, Louisville Metro Government, 701 W. Ormsby Ave, Louisville, KY 40203, in the Edison Room. Following is a summary of the formal action taken during the meeting (a more detailed summary follows below):

- **New Goal: Put resource links on our website. Our discussion with LouieConnect did not yield the results we hoped for.**
- **We heard an introductory presentation from ONR (On Request) mobile platform for providers.**

Facilitator Larry Sloan promptly called the meeting to order at 2:02pm. The following people attended the meeting:

- Larry Sloan, Co-Facilitator
- Loretta Baker, Co-Facilitator
- Holly Bagley, KIPDA
- Kelly Nason, Age Friendly Louisville
- Carolina Rodriguez Curiel, Passport Health Plan, Statewide Community Engagement Representative
- Buddy Steward, CEO & President, ONR
- Kevin McCarron, ONR
- John Morse, ONR

Minutes of the previous meeting were reviewed.

Discussion of how to get our resource page to show links for our transportation options. We would like to work with TARC to link their website to the AFL website. AFL could provide information about the TARC app and how to download bus schedules. TARC's website is ridetarc.org. Loretta emphasized that we need to focus on creating Mobility and Accessibility resources on the resource page of our website.

Holly discussed how KIPDA provides funding for transportation and the fact that Medicaid provides medical transportation reimbursement.

Larry introduced Buddy, Kevin and John from ONR. ONR is a mobile platform designed to bring the provider to the patient instead of the patient having to travel or be transported to the provider. Loretta commented that the primary focus of ONR is getting your services to the individual rather than the other way around, which we had not previously considered. ONR is interested in connecting with TARC to obtain federal funds or grants through TARC to buy the vehicles they need to bring the services to the individuals.

Discussion of goals for 2020:

Work with TARC on Strategic Plan.

TAAC next meeting is Tuesday, March 17, 2020. Next AFL M&A meeting is Wednesday, March 11, 2:00PM
